No change of ownership has occurred since the previous school approval application was submitted.

As set forth in the Rules and Regulations of the Board, the following shall apply:

Change of ownership: This includes the following situations: sale of the school; transfer of controlling interest of stock in the school or its parent corporation; merger of two or more schools; transfer of controlling interest of stock to a parent corporation; transfer of assets or liabilities of the school to its parent corporation or owners; or change from profit to non-profit status. New Application for School Approval required: Following the change in ownership, a new application shall be submitted to the Board, and shall be accompanied by the fee of \$2000 for an initial application.
